CAPITOL UNINSURED: SPECIAL LAW NEEDED

Austin, Texas, Feb. 28.—Recommendations will be made by the state insurpnce commission and the governor
at the next session of the legislature
for a specific appropriation for insuring the \$2,000,000 Texas state capitol.
The state fire marshal said that the
commission had made such a recommendation at the last semilon of the legislature, but the inwmakers failed to
make the appropriation. While it is
not generally known, it is a fact that
there is not a cent of insurance in the
big granite building. This action in
the part of the state officials is due to
several attempts made recently to set
the building on fire.
